

Theresa Connor, P.E.

- Previously Interim Executive Director for Fort Collins Utilities.
- Reorganization occurring, so new position being created.
- Importance of FEW Nexus for Organization –
 - Utilities has connections to Food through leasing water rights to local farmers and Energy through an agreement to provide reclaimed water to PRPA in exchange for water rights. Most of this is governed by water law requirements.
 - City Council has established a priority of maintaining in stream flows to the Poudre River that would connect this discussion to natural systems.
